Financial Guidelines				
<p>Insurance: We accept all major dental insurance payments, however we may not be an in network provider for your plan. If we are not an in network provider, review your plan details, as in many cases insurance reimbursement is very similar. We are in network for Delta Dental Premier. No estimate is a guarantee of payment. Please understand, you are responsible for all charges not paid by your insurance. Also, many insurance companies are excluding certain dental procedures or downgrading procedures to lesser reimbursement level in which case, you would be responsible for the difference.</p> <p>Payments: Patient portion or patient co-pay is due at the time of services as rendered- unless prior financial arrangements have been made. We accept all major credit cards. Balances left over 90 days will incur 18% interest.</p>
